Product Brochure

Silicone Softeners Range

An overview of the ICS silicone softener range — micro-emulsion and amino-functional silicones formulated for hand-feel across cotton, polyester and blended fabrics.

Product	Description	Applications
Micro Silicone MS-100	Micro-emulsion silicone softener for a smooth, silky hand-feel.	All fabric types
Amino Silicone AS-220	Amino-functional silicone for durable softness and elasticity.	Knit & woven finishing

Full technical data sheets for each softener are available individually from the Download Center.
